

The 501 Alliance

\$100 Donation Limited Time Offer

Donation Offer:

We're excited to offer nonprofit organizations with a \$100 no-obligation donation by simply giving us the opportunity to see if we can save you money on your unemployment costs.

Requirements:

Depending on your current tax status with the state, provide us with either the contributing employer or reimbursing employer information listed below. If you're not sure of your current tax status, please contact us for assistance.

1. Contributing Employers – Copies of your tax rate determinations from the state for the last three years.
2. Reimbursing Employers – Your organization's taxable payroll in each of the last three years and the total unemployment benefits reimbursed to the state in each of the last three years. (Taxable payroll for unemployment purposes is the first \$9,000 each employee earns in a calendar year.)

Cost Savings Review:

We'll review the information provided and let you know whether or not we can save your organization money on your unemployment costs. Even if we can't or if you're not interested in joining our group, your organization will still receive your \$100 donation.
